

Instructions on How to Use the Poster and Postcard Templates

Below you will see a 4"x6" postcard and an 11" x 17" poster that you can use for promoting your bike-in event.

You will see on the postcard and poster places where we have temporary placed the text "your name", "your org", "your place", dates and times, etc.

What you need to do is take a look at it and decide how you want to customize the poster. Then let us know the details. We will fill the details in and send you back a printable PDF. Both documents will have a white border and crop marks to allow for easy printing.

Feel free to give us additional information that we have not blocked-in such as addresses, phone numbers, urls and details relating to your event – as well as logos and images that you think you need to get your message out.

The Bicyclists A LOVE STORY ON WHEELS

When Conrad Miller, a bike mechanic with only a few bucks in his wallet, leaves a small town in Wisconsin and heads out west to Portland, Oregon he thinks he's going on a sixty-day vacation to a city that loves the bicycle.

What he finds is something more complex: her name is Steve and she's a bike mechanic too. Conrad's confidence and his easy-going nature help him win a whole variety of bike buddies, but winning Steve's heart may be his biggest challenge. This simple plot holds unexpected turns for them both as they count down the final days of summer.
